WILLIAM A. HARRIS, PRINTER.
1859.

RESOLUTION requiring the Secretary of State to compile and print, once in every two years, a register of all officers and agents, civil, military, and naval, in the service of the United States.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That once in two years a register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September of each year in which a new Congress is to assemble, be compiled and printed, under the direction of the Secretary for the Department of State. And to enable him to form such register he, for his own department and the heads of the other departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, in their respective departments, including clerks, cadets, and midshipmen, to be made and lodged in the office of the Department of State. And to enable the Secretary of State to comply with this resolution, the several heads of departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists and the matter thereby required to be added to be lodged in the office of the Department of State, as is directed in other cases by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

Resolved, That said register shall contain a correct list of the presidents, cashiers, and directors of the Bank of the United States and its branches, in office on the thirtieth of September, eighteen hundred and thirty-three; which list shall be transmitted by the president of said bank to the Secretary of State by the first Monday of October, one thousand eight hundred and thirty-three.
